

The San Diego County Water Authority presents ...

A REGIONAL WATER QUALITY TESTING WORKSHOP

The Authority will pay for a substitute so you can attend

Join over 1000 teachers that have already taken this integrated workshop featuring the highly successful Water Quality Testing Program. Become eligible to check out a water testing kit and receive a free teacher's manual and student workbook. Attendees will also receive a set of GIS watershed maps and a water history book.

PROGRAM CONTENT

1. Gain knowledge of California water history and local water issues.
2. Learn to use our water quality testing kit containing tests for pH, temperature, DO, BOD, nitrates, turbidity, TDS, hardness and microorganisms.

WHO: Grades 6-12 Science Teachers

WHEN: October 15, 2007 OR January 14, 2008

TIME: 9:30 am to 2:30 pm

WHERE: Mission Trails Regional Park

COST: **FREE!** The Water Authority is underwriting the cost of this program. (Includes free lunch)

QUESTIONS: Call Ivan Golakoff at 858-522-6719 or igolakoff@sdcwa.org

IMPORTANT NOTICE:

This workshop may also be used for one unit of approved Continuing Education credit through UCSD Extension. Only \$55. Register at the SDCWA workshop for this unit of credit.

4677 Overland Ave.
San Diego, CA. 92123

From Route 52: Take 52 to the Mast Blvd. exit in Santee. Driving east, turn left onto Mast Blvd., go under the freeway to the first traffic signal (West Hills Parkway) and turn right. Driving west, turn right onto Mast Blvd. and right onto West Hills Parkway. Take West Hills Parkway to Mission Gorge Road and turn right. Proceed down Mission Gorge Road 2.4 miles (past the Father Junipero Serra Trail entrance to Old Mission Dam and Kumeyaay Lake and Campground). Look for the large wooden park sign on Mission Gorge Road. Turn right onto Father Junipero Serra Trail. The Visitor and Interpretive Center parking lot is on the left just before you get to the pipe gate on Father Junipero Serra Trail.

From Route 125: Take 125 north to 52 west, to the Mast Blvd. exit in Santee. Turn right onto Mast Blvd. and right onto West Hills Parkway. Take West Hills Parkway to Mission Gorge Road and turn right. Proceed down Mission Gorge Road 2.4 miles (past the Father Junipero Serra Trail entrance to Old Mission Dam and Kumeyaay Lake and Campground). Look for the large wooden park sign on Mission Gorge Road. Turn right onto Father Junipero Serra Trail. The Visitor and Interpretive Center parking lot is on the left just before you get to the pipe gate on Father Junipero Serra Trail

From San Diego: Take 8 east to the Mission Gorge/Fairmount exit. Turn north onto Mission Gorge Road. Proceed down Mission Gorge Road for 4.2 miles. Look for the large wooden park sign on Mission Gorge Road. Turn left onto Father Junipero Serra Trail. The Visitor and Interpretive Center parking lot is on the left just before you get to the pipe gate on Father Junipero Serra Trail.

From the La Mesa area: Take 8 to the Jackson Drive exit. Drive north on Jackson Drive until it ends at Mission Gorge Road. Turn right on Mission Gorge Road. Drive less than 1/2 mile. Look for the large wooden park sign on Mission Gorge Road. Turn left onto Father Junipero Serra Trail. The Visitor and Interpretive Center parking lot is on the left just before you get to the pipe gate on Father Junipero Serra Trail.

Note: map not to scale
