

*Building Water Reliability  
 Through the Emergency Storage Project*

## SAN VICENTE RESERVOIR CLOSURE

The San Diego County Water Authority has begun several major construction projects near San Vicente Dam. To assure public safety during construction, San Vicente Reservoir will be closed to boating, fishing, and all other water recreation for an extended period. According to the current construction timeline, the reservoir will be closed based on the schedule in the diagram below.

### San Vicente Reservoir Closure Schedule

	Thurs. & Fri.	Sat. & Sun.	Mon. - Wed.
May 2008 - Mid-2008	Thurs: Fishing Activities Only Fri: Fishing/Water Contact	Open for Water Contact Only	Always Closed
Mid-2008 through Construction and Refill	Closed	Closed	Always Closed
The reservoir will reopen to recreation sometime between 2014 and 2017, as soon as the water level reaches the new boat launch.*			

See the city of San Diego's website for up-to-date information at [www.sandiego.gov/water/recreation](http://www.sandiego.gov/water/recreation).

\*The amount of time needed to refill the reservoir will depend on rainfall and water supply and demand. The Water Authority is working with the city of San Diego to reopen the reservoir to recreation as soon as possible.

### For More Information

The Water Authority's projects at San Vicente include the 11-mile San Vicente Pipeline, raising San Vicente Dam 117 feet, and several other related facilities. These projects are part of the Water Authority's Emergency Storage Project, designed to make water available to the San Diego region in the event of an interruption in imported water deliveries.

For more information about any of the Water Authority's projects at San Vicente Reservoir or to sign up to be on the project email list, go to [www.sdcwa.org](http://www.sdcwa.org). Click on "Infrastructure," then "ESP." If you would like to be added to the project mailing list or if you have any questions about the projects, please call the toll-free project information line at (877) 426-2010 or email us at [ESPinfo@sdcwa.org](mailto:ESPinfo@sdcwa.org).

*The Water Authority is a public agency serving the San Diego region as a wholesale supplier of water. The Water Authority works through its 24 member agencies to provide a safe, reliable water supply to support the region's \$157 billion economy and the quality of life of 3 million residents.*

### Future Recreation Improvements

Once the reservoir is reopened there will be many new improvements. The Water Authority will improve the marina access road to make it safer and less steep, expand the boat ramp and parking area, and add shade trees and picnic areas. To view an image of the new marina area after construction is complete, go to [www.sdcwa.org](http://www.sdcwa.org), click on "Infrastructure," then "ESP," then "San Vicente Dam Raise."

### Don't forget to Think Blue

San Vicente Reservoir is an important drinking water reservoir...

Please do your part to help keep this water supply clean while you fish, boat, and play at San Vicente.
