Section 2.00.020      **Officers – Duties**

(a) The Chair is the presiding officer of the Board and shall perform such other duties as may be prescribed by the CWA Act, this Code or other action taken by the Board. The Chair shall be recognized as the official head of the Authority for all ceremonial and public purposes, and for the signing of legal instruments and documents. At meetings of the Board, the Chair shall not be deprived of any of the rights and privileges of a Director by reason of being presiding officer.

(b) The Vice-Chair is the presiding officer of the Board in the absence of the Chair. The Vice-Chair shall perform the duties of the Chair whenever the Chair is absent, temporarily incapacitated from performing the duties of Chair, or as may be delegated by the Chair. At meetings of the Board, the Vice-Chair shall not be deprived of any of the rights and privileges of a Director by reason of serving as presiding officer.

(c) The Secretary is the presiding officer of the Board in the absence of the Chair and Vice-Chair. The Secretary shall perform the duties of the Chair whenever the Vice-Chair is unable to perform the duties of the Chair as specified in subdivision (b). The Secretary shall attest or counter-sign the signature of the Chair on legal instruments and documents required by law to have the attestation or counter-signature of the secretary of the Board.

(d) The Chair, Vice-Chair and Secretary, in consultation with the General Manager and General Counsel, shall determine the agenda for meetings of the Board. The agendas for

meetings of committees of the Board will be determined by consultation among the chairperson of the committee, the General Manager and General Counsel.

**Section 2.00.030      Officers – Selection**

(a) At its regular meeting in September of each even-numbered year, the Board shall select from among its members a Chair, Vice-Chair and Secretary. At its regular meeting in August of each even-numbered year, the Board shall take nominations for each office. A nomination shall be considered if made by a Director of a Member Agency and seconded by a Director of another Member Agency. Action to select each officer shall be made in the same manner as other actions of the Board. The Board may adopt supplementary rules for the nomination and selection of officers of the Board.

(b) If a position as officer of the Board becomes vacant, the Board may select a successor to fill the vacancy for the remainder of the unexpired term.

(c) The Chair shall be selected according to the groups established by Section 2.00.045. Commencing with Chair whose term of office began on January 1, 2005, and for each successive term thereafter, qualification for the office of Chair will be determined by group as follows: Group B, Group A, Group B. This order will be repeated to assure that the directors within Group A are qualified for Chair every third term.

**Section 2.00.040      Officers – Term**

(a) The term of the officers of the Board shall be two years. Beginning in 2010, the term of office shall commence on October 1 of each even-numbered year. An officer shall continue to serve until his or her successor is selected and takes office.

(b) An officer shall not serve more than one consecutive term in each office. The limitation on service in an office for consecutive terms shall not apply to selection to fill the remainder of an unexpired term if the remainder of the term is 12 or fewer months.

(c) Officers serve at the pleasure of the Board.

**Section 2.00.045      Grouping of Directors**

For purpose of determining Board Chair and other purposes as specified in this Chapter, Directors shall be grouped as follows: Directors representing the City of San Diego (Group A); Directors representing other member agencies (Group B).

**Section 2.00.050      Emergency Operations**

In any circumstance justifying an emergency meeting of the Board under the Section 54956.5 of the California Government Code, the General Manager or the Chair may instead call an emergency meeting of the officers of the Board, the immediate past Chair and the chairs of each of

the standing committees listed in Section 2.00.060. Upon a determination by a majority of these directors of the existence of an emergency, any action approved by a majority of these directors to respond to that emergency shall be deemed action of the Board. Any actions taken pursuant to this subdivision shall be reported to the Board not later than seven days after the action or at its next regularly scheduled meeting, if that meeting will occur not later than 14 days after the action. The report shall include details of the emergency situation and the reasons justifying the actions taken. Any action taken pursuant to this subdivision may be rescinded by the Board, provided, however, that such rescission shall operate prospectively. Nothing in this section is intended to limit the powers delegated to the General Manager by this Code to declare or act in an emergency. Solely for the purposes of this section, after a meeting of the directors designated in this section has been called and for the duration of the emergency, the group of directors shall be designated as the Emergency Operations Committee.

**Section 2.00.060 Standing Committees**

- (a) The Board shall be organized into the following standing committees that are advisory to the Board with respect to matters within their respective areas of responsibility:
1. An Administrative and Finance Committee responsible for administrative and finance matters including: rates, fees, charges, and other sources of revenue; budget; investments; human resources; employer-employee relations; information technology; insurance; risk management; and other matters of general business operations.

  3. An Imported Water Committee responsible for imported water supply matters including: activities and issues as a member agency of the Metropolitan Water District of Southern California; administration of the Quantification Settlement Agreement and related agreements; Colorado River Board; State Water Project; CalFed; and other matters relating to water supplies from sources outside San Diego County.
  4. 5. A Water Planning and Environmental Committee responsible for water planning and local supply development including: water demand and supply planning; shortage allocation planning; water supply forecasting and reporting; seawater desalination; water reclamation; groundwater and conjunctive use; local surface water; water conservation programs; treated water demand and peaking management; environmental management; Urban Water Management Plans; and other planning matters.

(b) Each standing committee shall have not less than fourteen members appointed by the Chair in consultation with the Vice-Chair and Secretary. Committees shall be comprised solely of directors, provided, however, that the representative of the County of San Diego shall be eligible to serve on committees. The Chair, in consultation with the Vice-Chair and Secretary, shall designate a chairperson and two vice-chairpersons of each standing committee. In designating the chairpersons of standing committees, the Chair shall assure that not less than one-third and not more than one-half of the chairpersons are Directors representing the City of San Diego.

(c) Standing committees shall be reorganized every two years following the selection of the Board officers. Appointments to standing committees and designation of the chairperson and vice-chairpersons of each committee shall be made during January of odd numbered years, and may be made as necessary due to vacancies or as determined necessary and convenient by the Chair. Members of standing committees or subcommittees serve at the pleasure of the Chair, provided however, that each Director shall be entitled to serve on at least two standing committees. The term of the chairperson and vice-chairpersons of each standing committee shall be two years, subject to the pleasure of the Chair. The chairperson of a standing committee shall not serve more than one consecutive term. The vice-chairpersons of a standing committee shall not serve more than two consecutive terms. The limitation on service for consecutive terms shall not apply to appointments to the remainder of an unexpired term if the remainder of the term is 12 or fewer months. Members of standing committees or subcommittees, including the chairperson and vice-chairpersons, shall serve until their successors are appointed. The chairperson of a standing committee is its presiding officer and shall be responsible for communicating the recommendation of the committee to the Board. In the absence of the chairperson, a vice-chairperson shall perform the duties of the chairperson. The presiding officer is not deprived of any of the rights and privileges of a committee member by reason of being presiding officer.

(d) Whenever feasible, the General Manager or General Counsel shall present matters to the Board for consideration at regular meetings by written communication via the standing committee having responsibility for the subject. In the event a matter could fall within the responsibility of more than one committee, the Chair in consultation with the Board vice-chair and secretary, and the chairs of the standing committees shall determine which committee will be responsible for the matter. Regular meetings of the standing committees will be on the day of each regular monthly meeting of the Board. A standing committee may meet at such other times as may be determined by the committee or the chairperson of the committee provided that notice of such meetings is given according to law. Meetings of standing committees for which an

agenda is posted 72 hours in advance pursuant to law shall be considered regular meetings of the committee.

(e) Each standing committee is designated as and shall be considered a legislative body of the Authority for the purposes of any law requiring a noticed public hearing prior to taking an action. This subdivision shall not apply to the hearing required by Code of Civil Procedure Section 1245.235 unless otherwise authorized by that section. The recommendation of a standing committee on a matter for which a public hearing has been held shall include a summary of the information presented at the public hearing. The record of the proceedings before the standing committee shall be made available to the Board and shall be considered as part of the record of proceedings of the Board. No person who presented information to a standing committee regarding a matter shall be precluded from presenting the same or similar information during a meeting of the Board on the same matter.

(f) A majority of the members of each standing committee shall constitute a quorum for the transaction of business. If a quorum of a standing committee is not present during the time designated for a meeting of the committee, the chairperson may designate any Director present at the meeting as a temporary committee member. The number of temporary committee members shall be limited to the number necessary to achieve a quorum. A temporary committee member shall serve until the arrival of a regular member or the end of the meeting. If more than one temporary committee member is appointed, the chair shall determine which temporary member is replaced upon the arrival of a regular member. Temporary committee members shall be entitled to participate and vote on all matters coming before the committee for the duration of the temporary appointment.

(g) Directors that are not members of a standing committee may attend only as observers unless the agenda of the committee meeting indicates that a meeting of the Board has also been noticed as required by law. Whenever a standing committee meeting is also noticed as a meeting of the Board, it shall be conducted as a committee meeting and Directors that are not members of the committee may participate in discussions upon recognition by the chairperson, but only members of the committee are entitled to make, second or vote on any motion or other action of the committee. During regular Board meetings, a vote or other formal action of the Board shall be taken only during the portion designated as the formal Board meeting. This subdivision shall not be construed to limit participation by a Director serving a temporary appointment under subdivision (f).

(h) Each standing committee member shall be entitled to one vote on all matters considered by the committee.

(i) The General Manager is responsible for the preparation of minutes of each meeting of each standing committee. The minutes shall be provided to the Board as soon as practical following the committee meeting.

Section 2.00.066      **Audit Committee**

(a) The Board shall have an Audit Committee comprised of five members appointed by the Chair in consultation with the Vice-Chair and Secretary, at least one member of which should have basic knowledge of financial reporting and audit principles. The Administrative and Finance Committee chairperson and vice-chairpersons are ineligible to serve on the Audit Committee. The Chair shall designate one member of the committee to serve as chairperson. The committee may select a vice chairperson. Members of the committee shall serve an indefinite term at the pleasure of the Chair. The affirmative vote of three members is required for any recommendation or other action of the committee. The committee may establish a schedule of regular meetings and shall meet not less than three times annually.

(b) The Audit Committee is a standing advisory committee responsible for the following matters:

1. Recommending selection of the independent auditor or auditing firm, including participation in the selection process;
2. Oversight of the audit contract and annual audit;
3. Oversight of supplemental audits, or agreed upon procedures, including audits of member agency obligations, within the scope of the audit contract as the committee determines are necessary or appropriate;
4. Review of the annual audit, including all portions of any associated Comprehensive Annual Financial Report (CAFR), at one or more public meetings and provision of a report of recommendations to the Board based upon the review;
5. Preparation of an annual report to the Board summarizing its activities, actions, and recommendations, which report may be combined with the report of recommendations on the annual audit.

Section 2.00.070      **Temporary Committees**

(a) The Chair may establish temporary advisory committees as he or she deems appropriate for the conduct of Authority business. Members of such committees shall be appointed by the Chair in consultation with the Vice-Chair and Secretary. Temporary advisory committees composed solely of Directors shall be less than a quorum of the Board. In order to assure compliance with law, Directors that are not members of a temporary advisory committee shall not receive notice of or attend meetings of the committee, unless specifically authorized by the Board officers or unless the meeting is otherwise open to the public.

(b) With the permission of the Chair, a chairperson of a standing committee may establish a temporary committee comprised of less than a quorum of the standing committee. In

order to assure compliance with law, Directors that are not members of a temporary advisory committee shall not receive notice of or attend meetings of the committee, unless specifically authorized by the chairperson of the standing committee or unless the meeting is otherwise open to the public.

(c) The Board may establish other temporary committees as the Board deems appropriate for the conduct of Authority business.

(d) Temporary committees shall have a term determined by the Chair, or the Board for committees established pursuant to subdivision (c), but in any event the term of a temporary committee shall not exceed the term of office of the Chair.

#### Section 2.00.080 **Meetings**

(a) Dates. Regular monthly meetings of the Board shall be held on the fourth Thursday of each month, except November and December, in the boardroom of the building that is the Authority's principal place of business. Regular meetings in the months of November and December shall be on days determined by formal action of the Board.

(b) Times. Regular meetings of the Board will commence at the time stated on the agenda but no earlier than 8:00 a.m., or as soon thereafter as a quorum<sup>1</sup> is present. Regular meetings of standing committees listed in subdivision (a) of section 2.00.060 will commence at the same time and in the same location as the Board meeting and may continue throughout the day. The formal Board meeting for the conduct of business will convene at the time stated on the agenda on the day of the regular meeting or as soon thereafter as the committee meetings are completed.

(c) Holidays. When the day for a regular meeting falls on a legal holiday, such meeting shall be held at such other time as may be determined by resolution of the Board.

(d) Adjournment. Meetings of the Board may be adjourned to a time and place stated in the notice of adjournment and as permitted by law. The presiding officer may adjourn any meeting without need for a motion.

(e) Special meetings. Special meetings may be called by the presiding officer in accordance with law.

(f) State law / notices. Meetings of the Board, standing committees and temporary committees will be conducted in accordance with the Ralph M. Brown Act and the CWA Act. The Clerk of the Board is responsible for the posting of all notices required by this Code, the Ralph M. Brown Act or the CWA Act, unless otherwise specifically stated in this Code. The Clerk of the

---

<sup>1</sup> Section 6, subdiv. (k) of the CWA Act states, "A quorum necessary for the transaction of business at any meeting of the board of directors exists whenever there are present at the meeting a majority of the membership of the board of directors that includes at least one-half of the number of representatives of each public agency member having more than six representatives serving on the board of directors."

Board is responsible for giving the mailed notice of regular and special meetings as required by Government Code section 54954.1. The Clerk of the Board may charge an annual fee in an amount determined by the General Manager to reasonably cover the cost of preparing, copying and mailing the notice.

(g) Agenda. Subject to section 2.00.020, subdivision (d), the General Manager is responsible for preparing a written agenda as required by law for each meeting of the Board, a standing committee or any other committee. Items of business shall be placed on an agenda at the direction of the Chair, the General Manager or the General Counsel, and, also, with respect to an agenda for a meeting of a committee, by the chairperson of the committee. Any Director may request that an item be placed on the agenda of any standing committee subject to approval by the chairperson of the committee or consent by a majority of the committee in accordance with applicable law. Before posting, the agenda shall be approved by the Chair, or the committee chairperson for an agenda for a committee meeting, and as to form and legality by the General Counsel. An agenda shall contain information relating to the time and place of the meeting, the order of business and a brief general description of each item of business to be considered at the meeting. For the convenience of the legislative body, items may be designated as “action,” “discussion” or “information;” however such designation shall not limit the power of the legislative body to take action on any item placed before it for consideration on an agenda. The agendas for the regular Board meeting and standing committee meetings held on the day of regular board meetings shall be considered as a single agenda and any item listed on the agenda of any committee may be acted upon by the Board. The description of items to be discussed in closed session may be done by substantially complying with the provisions of Government Code Section 54954.5. An agenda shall also contain information relating to special services available to persons with disabilities to permit those persons to participate in meetings of the Authority’s Board and committees. An agenda may contain other information necessary or convenient for the conduct of Authority business. The Clerk of the Board shall mail an agenda to each person who has filed a request therefore. An agenda may be mailed at the time the agenda is posted. Written requests shall be valid for one year and shall be filed within 90 days after January 1 of each year. The Clerk of the Board may charge an annual fee in an amount determined by the General Manager to cover the reasonably estimated cost of copying and mailing an agenda. The inadvertent failure of the manager to mail an agenda, or the failure of any person to receive the agenda, shall not deprive the Board or any committee of jurisdiction or constitute grounds to invalidate any action.

(h) Staff reports. The General Manager is responsible for establishing a process for preparing staff reports and compiling such reports and other documents relevant to matters of business listed on the agenda of the Board and standing committees (the “agenda packet”). All items listed on the agenda other than presentations, oral communications and closed session items shall have a corresponding staff report included in the agenda packet. The agenda packet shall include all written material delivered, or to be delivered, to all or a majority of the Board members with respect to an item listed on the agenda. The agenda and agenda packet may be delivered to the Board members in cd-rom or other machine-readable format. The agenda packet shall be made available to the public as soon thereafter as practicable. In order to facilitate public access to the agenda packet, the Clerk of the Board shall place a copy of the agenda

packet for public inspection in the reception area of the Authority's principal place of business. The General Manager may place the agenda and agenda packet on the Internet.

(i) Consent calendar. An agenda may contain a consent calendar of items grouped together for action by single motion and without discussion. The description of items of business listed on the consent calendar shall contain a summarized statement of the action or actions recommended by the General Manager or General Counsel. Items for which substantive review by a standing committee has or will occur prior to consideration by the Board may be included on the consent calendar of the formal Board meeting. If necessary to reflect the recommendation of the standing committee with jurisdiction over a matter, an item listed on the consent calendar of the formal Board meeting shall be modified before consideration of the consent calendar. Items shall not be added to the consent calendar of an agenda pursuant to Section 54954.2 of the California Government Code. Before adoption of the consent calendar the presiding officer shall first determine whether any Director, Authority staff or member of the audience desires to remove an item for comment or discussion. In that event, the presiding officer shall defer action on the particular matter or matters and place them on the regular agenda for consideration in any order deemed appropriate. In lieu of removing an item from the consent calendar, the chair or other member of a standing committee may request amendment of the proposed action to reflect the recommendation of the standing committee. After acting on requests for removal or amendment of items, the presiding officer shall confirm the consent calendar and call for a motion to approve the consent calendar as confirmed. Any Director, including a Director holding a proxy, may record a negative vote or an abstention on a consent calendar item without removing the item for discussion by so stating prior to the vote on the motion to approve the consent calendar as confirmed.

(j) Minutes and records. Minutes of the Board and standing committee meetings shall be kept as provided in this subdivision:

1. Unless the reading of the minutes is requested by a majority of the quorum, the minutes may be approved without reading if the Clerk of the Board has furnished each member with a copy thereof before the meeting. If the minutes have not been so distributed, approval of those minutes shall automatically be deferred to the next meeting.
2. The minutes of the Board meetings, except closed sessions, shall be kept by the Clerk of the Board. The minutes of standing committee meetings shall be kept by the Clerk of the Board or such other person as designated by the General Manager. The minutes shall be a record of each particular type of business transacted or discussed but a verbatim transcript of the proceedings is not required.
3. A Director may request the privilege of having an abstract of his or her statement on any subject under consideration at a meeting entered in the minutes.

4. An audio or video recording may be used as an aid in the preparation of the minutes. Pursuant to Government Code Section 54953.5 the recordings may be erased or destroyed thirty days after the recording. Thereafter, the recording medium may be reused or erased unless the Chair, General Manager or General Counsel has directed otherwise as to certain recordings. Prior to reuse or erasure, the recordings shall be subject to inspection pursuant to the California Public Records Act. Members of the public may hear recordings of meetings during office hours at times convenient to the Clerk of the Board. Duplicate recordings may be made under procedures established by the Clerk of the Board. The Clerk of the Board shall allow Authority machines capable of replaying a recording to be used by the public, free of charge, for listening or recording purposes when such machines are not necessary for use by the Authority. Except as required by law in connection with a legal proceeding or upon request of a Director approved by the Chair, a written transcript of any recording shall not be provided unless the person requesting the transcript has first paid a deposit of an amount reasonably estimated by the Clerk of the Board for the full cost of preparation of the transcript. The General Manager is authorized to adopt administrative rules, regulations or procedures for the implementation of this section, including without limitation procedures to safeguard the recordings against theft, mutilation or accidental damage, to prevent inspection or recording from interfering with the orderly function of the office, and to ensure that the integrity of the records is maintained. Except as otherwise prohibited by law, the Authority may charge a fee sufficient to cover and which does not exceed the cost, including labor and materials, of, but not limited to, providing records and administering this provision. The Clerk of the Board is authorized to authenticate any transcription of a meeting at the expense of the person requesting the authentication.
5. If any person desires to have a matter reported by a stenographer reporter, the person may employ one directly at his or her expense. The General Manager may make reasonable accommodations in order to assure such reporter is seated in such a position at the meeting as to permit accurate recording of the proceedings.
6. Any person may film, video tape, photograph or audio tape a Board or a committee of the Board meeting in the absence of a reasonable finding by the presiding officer that the recording cannot continue without noise, illumination or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings. Meetings may be televised by any person provided that it can be accomplished without noise, illumination or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings.
7. Following approval, minutes of Board meetings shall be permanently kept in a record called "Book of Minutes of the Board of Directors, San Diego County Water Authority." Ordinances and resolutions may be referenced in the minutes by title and number, provided however, that the same are set forth in full in a permanent record called "Book of Ordinances" and "Book of Resolutions"

respectively. The Book of Minutes, Book of Ordinances and Book of Resolutions may be kept in any format or medium suitable for storage of permanent public records.

(k) Procedures. The following procedural rules apply to meetings of the Authority Board and committees:

1. General rule of conduct. The presiding officer shall endeavor to conduct the meeting in an orderly, even-handed and businesslike manner in substantially the order and manner provided on the agenda. Members should have a full and equal opportunity to express their respective views. Matters should be fully deliberated before action is taken. The presiding officer may make or second any motion and present and discuss any matter as a member of the legislative body.
2. Closed Sessions. Personal electronic communication devices of any kind – including cell phones, laptops, and tablets – are not permitted to be used by Board members during closed sessions. Any Board members who are “on call” for emergency purposes shall: (a) notify General Counsel in advance of the meeting that they may have to take an emergency call; and (b) have their phone in “vibrate” mode and leave the closed session if they receive such a call.
3. Authority of Presiding Officer. The presiding officer shall make all determinations of parliamentary procedure, subject to appeal by any member to the Board or committee. Appeals of decisions by the presiding officer shall require a second and shall be promptly considered. Appeals of decisions by the presiding officer shall be determined by a majority of the members present at the meeting. The presiding officer may confer with the General Counsel before making a determination.
4. Motions Generally. A motion is the formal statement of a proposal or question to the Board or a committee for consideration and action. The presiding officer is not disqualified from making, seconding or voting on a motion. If a motion contains two or more divisible propositions, the presiding officer may divide it and call for a separate vote on each proposition. If a motion is properly made, the presiding officer shall call for a second. No further consideration is required on a motion that does not receive a second. The presiding officer may restate a motion, or call for restatement by the clerk, before a vote. A motion once made and seconded may not be withdrawn by the maker without the consent of the second. A motion may be made at any time during consideration of a matter on the agenda; however, the presiding officer may defer recognizing a motion until after presentation of a report of staff, public comment and questions by members. It is not necessary for a motion to be pending in order for deliberation of a matter on the agenda.
5. Precedence of motions. When a main motion is pending, no other motion shall be entertained except the following which shall have precedence, one over the other, in the following order: (1) Adjourn; (2) Recess; (3) Lay on the Table; (4) Order the

previous question (calling the question); (5) Limit or extend debate; (6) Refer to committee or staff; (7) Continue; (8) Amend; (9) Main motion.

A motion shall not be in order to revive a motion previously defeated at the meeting, or to rescind or otherwise change the nature of a motion previously approved at the meeting, unless a motion to reconsider is first made and approved. A motion shall not be in order when the previous question has been ordered. A motion shall not be in order while a vote is being taken. A motion shall not be in order when made as an interruption of a member while speaking. A motion considered in committee may be reconsidered during the formal Board meeting.

6. Particular motions, purpose and criteria. The purpose and salient criteria of the motions listed in paragraph 4 are as follows:

(1) Motion to adjourn:

(A) Purpose: To terminate a meeting.

(B) Debatable or Amendable. No, except a motion to adjourn to another time is debatable and amendable as to the time to which the meeting is to be adjourned.

(2) Motion to recess:

(A) Purpose: To permit an interlude in the meeting and to set a definite time for continuing the meeting.

(B) Debatable or Amendable. Yes, but restricted as to time for continuing the meeting.

(3) Motion to table:

(A) Purpose: To set aside, on a temporary basis, a pending main motion; provided that, it may be taken up again for consideration during the current meeting or at the next regular meeting. If a matter is placed on the table at a meeting and not taken off the table for consideration before adjournment of that meeting, the matter shall be placed on the agenda for further consideration at the next regular meeting. The Board may consider any matter properly on its agenda regardless of whether a committee has previously tabled the matter.

(B) Debatable or Amendable. It is debatable but not amendable.

(4) Motion for previous question (“calling the question”):

(A) Purpose: To prevent or stop discussion on the pending question or

questions and to bring such question or questions to vote immediately. If the motion passes, a vote shall be taken on the pending motion or motions.

(B) Debatable or Amendable. No.

(5) Motion to limit or extend debate:

(A) Purpose: To limit or determine the time that will be devoted to discussion of a pending motion or to extend or remove limitations already imposed on its discussion.

(B) Debatable or Amendable. Not debatable; amendments are restricted to period of time of the proposed limit or extension.

(6) Motion to refer to committee or staff:

(A) Purpose: To refer the question to a committee or to General Manager or General Counsel for the purpose of investigating or studying the proposal and to make a report and recommendation thereon. If the motion fails, discussion or vote on the question resumes.

(B) Debatable or Amendable. Yes.

(7) Motion to continue:

(A) Purpose: To prevent further discussion and voting on the main motion until a specified future date or event. If the motion fails, discussion and voting on the main motion resumes. If it passes, the subject of the main motion shall not be brought up again until the specified date or event.

(B) Debatable or Amendable. It is debatable but not amendable.

(8) Amend:

(A) Purpose: To modify or change a motion that is being considered. An amendment may be in any of the following forms: to "add" or "insert" certain words or phrases; to "strike out certain words or phrases and to add others"; to "replace" certain words, phrases or actions on the same subject matter as the one pending; to "divide the question" into two or more questions so as to get a separate vote on particular points. A motion to amend shall relate to the subject of the main motion. A motion to amend, including a motion to substitute an entire motion for the one pending, shall not be used to change the nature of the main motion, for example a motion to replace the word "approve" with the word "disapprove" is prohibited where the nature of the main motion is changed. If a motion to amend passes, then the main motion should be voted on as amended.

(B) Debatable or Amendable. It is debatable if the main motion to which it applies is debatable. It is amendable, but a motion to amend an amendment is not further amendable.

(9) Main Motion:

(A) Purpose: To bring before the Board, for its consideration, any particular subject independent of any other pending motion or parliamentary situation.

(B) Debatable or Amendable. Yes.

7. Action taken. Action of the Board is taken with respect to a pending motion whenever the requisite number of affirmative votes required by Section 6 of the CWA Act has been cast at a meeting. If the requisite number of affirmative votes is not obtained with respect to a pending motion, the presiding officer shall deem the pending motion to have failed. If a motion fails because of a failure to receive the requisite number of affirmative votes, the presiding officer may entertain a different motion with respect to the same subject matter. Action by a committee requires the affirmative vote of a majority of the quorum. A Director may change his or her affirmative or negative vote on a motion only if a timely request to do so is made immediately following the announcement of the vote by the presiding officer and prior to the time the meeting is adjourned. A Director who publicly announces that he or she is abstaining from voting on a particular matter shall not subsequently be allowed to withdraw the abstention.
8. Reconsideration. A motion to reconsider any action taken by the Board may be made at the meeting such action was taken only during the same meeting or at a recessed or adjourned session thereof upon a motion by one of the directors who voted with the prevailing side. A motion to rescind, repeal, cancel, or otherwise nullify or amend a prior Board action shall be in order at any subsequent meeting of the Board and may be made by any director, subject to placement on the agenda. The effect of such action shall operate prospectively and not retroactively and shall not operate to adversely affect rights which may have been vested in the interim without notice and an opportunity to be heard having been given to the affected party or parties. Any interested person aggrieved by a decision of the Board may request the rescission, repeal, cancellation, nullification or amendment of the decision by filing a written request for such action, including the grounds upon which the request is made, with the Clerk of the Board.
- (1) Public hearings. Wherever by law the Board or a committee of the Board is required to hold a public hearing on any matter before it, such hearing will be held in accordance with the rules and procedures set forth in this subdivision. When a public hearing is required or permitted by law, the standing committee listed in subdivision (a) of section 2.00.060 having subject matter

jurisdiction may hold the hearing, except that hearings required before the declaration of an emergency, including a water shortage emergency shall be by the Board. Nothing in this subdivision shall prohibit or limit the Board or a committee of the Board from holding a public hearing on any matter before it, whether required by law or not, and nothing in this subdivision shall prohibit or limit any member of the public from addressing the Board or committee in accordance with the procedures provided for in this section, or as required by law, irrespective of whether or not a public hearing is being held.

1. The presiding officer shall announce that it is the time and place for a public hearing scheduled on the agenda.
2. Prior to public hearings, copies of the agenda with attachments, including the staff report, if any, shall be available at the office of the Clerk of the Board at least twenty-four hours prior to commencement of the hearing; provided, however, the presiding officer may allow the filing of supplemental reports which shall be made public at the commencement of the hearing.
3. The order of the hearing shall be as follows unless otherwise required by law:
  - (A) Presentation of staff and/or advisory commission report.
  - (B) Presentation by the Clerk of previously filed written correspondence or petitions.
  - (C) Questions from the Directors.
  - (D) Presentation by the applicant or other parties whose rights or interests are directly the subject matter of the hearing.
  - (E) Public testimony.
  - (F) Response by staff or the applicant to facts or issues presented during public testimony.
  - (G) Further questions from Directors. During this portion of the hearing, no further public testimony shall be permitted, except direct responses to questions by a member if permitted by the presiding officer.
4. The presiding officer may, dependent upon the necessity for ensuring adequate presentation of testimony and evidence to provide a fair hearing to all participants, set appropriate time limits for presentations, giving due consideration to other business on the agenda.
5. If a public hearing cannot be reasonably concluded in light of other business to be conducted and the number of persons desiring to present testimony, the hearing may be continued to another date or dates by the presiding officer.

6. During the public hearing, the Board or committee shall receive oral or written evidence relevant to the matter being considered which shall become part of the record. Evidence received at public hearings provided for in this ordinance shall be relevant and material to the issues to be decided or determined. The rules of evidence as established by law for judicial proceedings in the State of California shall not be applicable and during the hearing any credible evidence appropriate to afford a full presentation of the facts essential for judicious consideration of the matter which is the subject of the public hearing may be presented at the discretion of the Chair. Failure on the part of the presiding officer to strictly enforce rules of evidence or to reject matters that may be irrelevant or immaterial shall not affect the validity of the hearing. Any procedural errors that do not affect the substantial rights of the parties shall be disregarded.
7. If there is a staff report, it shall be considered as evidence and shall become part of the record of a public hearing without the necessity of being read in full as part of the staff presentation. In addition, any of the following may be presented to the Board or a committee of the Board and, if presented, shall also become part of the record:
  - (A) Exhibits and documents used by the Authority staff and any persons participating in the hearing;
  - (B) Maps and displays presented for use at the hearing; provided that, whenever practicable, they shall be displayed in full view of the participants and the audience;
  - (C) All communications and petitions concerning the subject matter of the hearing; provided that, a reading of such matters only shall be had with permission of the presiding officer;
  - (D) Information obtained outside the board meeting such as a view of the site, provided such information, to the extent it forms the basis for findings in a quasi-adjudicative matter, shall be disclosed for the record.
8. All exhibits, reports, maps and other physical evidence placed before the Board shall be retained by the Clerk. Such exhibits may be released by the clerk with the approval of the General Counsel. Items that are large, perishable, bulky or otherwise difficult to store may be returned to the person submitting the item provided that a photographic or videotape record of the item is retained by the Clerk.
9. Following the presentations, the presiding officer shall order closed the public input portion of the hearing, at which time no further evidence, either oral or written, will be accepted except in response to a question by a member of the Board or committee; provided, however, that this rule may be relaxed by the presiding officer where it appears that good cause exists to hear further evidence concerning the matter which

is the subject of the public hearing. Following completion of questions by members of the Board or committee, the presiding officer may order the public hearing closed. A public hearing on any matter once closed cannot be reopened on the date set for hearing unless the presiding officer determines that all persons who were present when the hearing closed are still present. Nothing in this section, however, is intended to prevent or prohibit the reopening of a public hearing at any subsequent regular or special meeting of the Board or committee, provided notice is first given.

10. A decision may be made at any time following the close of the public hearing. Unless the documents are presented as part of the staff report, the Board or committee may indicate its intended decision and instruct the General Counsel to return with the documents necessary to affect that decision including findings as may be necessary and appropriate to the matter. Upon return of such documents, the Board or committee shall determine if the findings are supported by the evidence before it at the hearing, and if the decision is supported by the findings, and after making any changes render its decision by taking action on the documents. The decision of the Board or a committee of the Board is not final until approval of the documents.
11. A Director who was absent from all or a part of a public hearing on matters for which a public hearing is required by law shall not participate in a decision on the matter unless he or she has examined the evidence including listening to a recording of the oral testimony and represents that he or she has a full understanding of the matter.
12. Whenever the requirements of this code or other law require that hearings with regard to a particular matter be conducted pursuant to a specific procedure, the provisions of the law establishing the requirements shall prevail over this subdivision to the extent of any inconsistency. Specific rules of procedure for administrative hearings established by official action of the Board or a committee of the Board shall prevail over the provisions of this subdivision to the extent of any inconsistency.

(m) Board Operating Policies. To maintain a cohesive, productive working environment, the members of the San Diego County Water Authority Board of Directors commit to:

1. Support the Authority's mission.
2. Bring Authority related concerns, issues, and conflicts to the Authority Board for discussion.
3. Offer alternative solution(s) when addressing a problem or issue.
4. Show respect to each other as appointed representatives of their member agencies.
5. Promote civility during Board meetings and tolerate nothing less.

7. Limit the length of comments during Board meetings to three minutes per Director per item and not repeat points that already have been stated by other Directors.

(n) Oath or affirmation. Whenever any law requires that testimony presented to the Board or a committee of the Board be under oath or affirmation, the persons presenting such testimony shall be sworn in by the presiding officer.

(o) Failure to observe procedures--Waiver. The failure to strictly observe the procedural provisions of this Section shall not affect the jurisdiction of the Board or a committee of the Board or invalidate any action taken at a meeting that is otherwise held in conformity with law so long as the requisite number of affirmative votes has been cast for the particular action. To the extent that this Article establishes requirements that are more restrictive than the Ralph M. Brown Act, or other provisions of state statute applicable to meetings of the Authority, the provisions of this Section shall prevail. A failure on the part of any person to register a timely objection of an alleged procedural violation shall constitute a waiver of all such objections. An objection shall be deemed timely only if it is made during the meeting, proceeding or public hearing to which the alleged violation relates. Nothing in this section shall preclude the Board or a committee from taking any action it deems appropriate to cure a violation or alleged violation of the procedures of this Article that is brought to its attention.

(p) Limitation on liability. The procedural provisions of this Section establishing duties of Authority officers or employees are directory in nature and shall not be deemed to create a mandatory duty, the breach of which could result in liability to the Authority or to the officer or employee pursuant to state statute or other law.

2. The Board approves a motion to refer the matter back to committee for reevaluation. Such a motion may be made by any director if during Board deliberations it appears there is significant disagreement with the committee recommendation among the Directors. Such a motion shall take precedence over all other motions relating to the matter.

(d) If a matter is referred back to a committee for reevaluation, the committee shall reevaluate the matter and make a recommendation to the Board at the Board's next regular meeting. The chair of the standing committee may request the General Manager to obtain a recommendation of the member agency managers for the committee to consider during its reevaluation of a matter. If the committee fails to make a recommendation for consideration by the Board at the Board's next regular meeting or the committee reaffirms its prior recommendation, the Board Chair shall consult with the Chair and Vice-Chairs of the committee and may present a compromise recommendation to the Board. The Board may take final action on a matter referred back to a committee at the Board's next regular meeting following the referral.

(e) A matter shall not be referred back to committee if, during the formal Board meeting, a majority of the members of the committee vote in favor of a motion for action that changes the nature of or that is materially different from the committee recommendation.

The Employee Relations Officer may agree with the Recognized Employee Organization to another means of resolving an impasse, except that nothing in this section shall be construed to permit impasse resolution by binding arbitration or other methods that delegates the Board's legislative authority to determine wages, hours and terms and conditions of employment and all other matters relating to employment.

(d) If there is no memorandum of understanding reached following completion of mediation or other impasse resolution procedure agreed to between the Employee Relations Officer and the Recognized Employee Organization, and if the parties are still at impasse, then the Board
